## General Conditions and study effort

## Comments

### Please list things which could be improved.

- presentations could contain a bit more answers/more informations (2)
- topics sometimes too difficult (2)
- speaks a little fast sometimes

### Please list things you liked in this course.

- very positive and engaging teaching ways (6)
- great work atmosphere (3)
- good choice of important content from rather long readings (2)
- good slides (2)
- mock exam (2)
- taking time for questions (2)
- the most interesting and well-structured course I had this semester (2)
- all the materials available at wordwise
- exercises as good examples for exam and discuss them in class
- technological competence
